SUPPORT COMMERCE CHAMBER

The Chamber of Commerce has proved the need of its existence, shown that if Redwood is to advance its development must be guided by an effort organized and therefore effective. The Harbor Company has done a handsome thing in creating a publicity fund by means of which Redwood and its facilities, both industrial and residential, can be made known to the world. As President Landsecht says in his report, "We all must help and the way to help is to give our support to the Chamber of Commerce, its officers and directors and its manager, all of whom have proved their efficiency and their public spiritedness."

COMMUNICATED

Menlo Park, May 24, 1916.

Editor, Times-Gazette:

The patrons of the Pacific Telephone and Telegraph Company residing in Menlo Park and Atherton have for a number of years been placed at a manifest disadvantage from a business and social standpoint by an unjust and uncalled for arrangement of said telephone company, whereby the residents and business places of the communities mentioned are listed in the telephone directory under the heading, "Palo Alto" a city of Santa Clara county thus compelling patrons of the telephone company either local or long distance desirous of calling Menlo or Atherton to acquire either by inquiry or intuition or some occult process unknown to the writer, the necessary information that to call either of these communities they must first locate in the telephone directory the City of Palo Alto, Santa Clara county where after diligent and patient perusal they will probably discover the name and number sought listed among over one thousand Palo Alto and Mayfield subscribers, appearing as Palo Alto 1234 or whatever the desired number may be not withstanding the fact that desired residences in Menlo Park, San Mateo county and receives his or her mail through the Menlo Park postoffice, causing innumerable instances of mail intended for residents of Atherton or Palo Alto to be misdirected to Palo Alto.

The residents and business interests of the communities above mentioned have long been aware of this stupid and unjust arrangement and were contemplating united action to have corrected this unsatisfactory arrangement arrived at when suddenly a petition made its appearance individual residing in this community who represented to the signers that on behalf of a long suffering public and from a purely altruistic standpoint he was engaged in circulating the aforesaid petition to remedy the conditions complained of. The petition received a number of signatures and was duly filed with the telephone management. The next number on the program was a circular letter addressed to the Menlo and Atherton subscribers assuring them that matters would be adjusted in accordance with the petition. Thus, for matters telephonic were progressing nicely, when, behold, the joker in the aforesaid petition made its appearance just as the telephone company was ready to print their revised directory, it was discovered that the residents and subscribers of Menlo and Atherton had practically petitioned for the same conditions complained of, save that some where in the revised directory, about to go to press, reference should be made in small type to the fact that complaining communities are on the telephone map and may be discovered by the patient and persistent searcher therefor. Thanks to the corporation and their altruistic petition circulator.

Protests verbal and written have been filed against this underhand proceeding but they have so far been turned down by reference to this Petition and Shell petition as giving the people just what they asked for. The parties to this piece of chicanery can rest assured, however, that the next petition will contain no joker and furthermore it will not be filed with the telephone company.

Respectfully,
CITIZEN, Menlo Park, Cal.

Mr. Fromm Explains
Owing to adverse criticism which came to my notice this morning concerning the price charged per plate by the Chamber of Commerce smokers, we wish to state that we received but 50 cents for the 75 cents charged, the other 25 cents were for assistance given by the Chamber of Commerce and merely collected by us as an accommodation. Consequently we will state that the criticism circulated is very unjust as far as we are concerned.

Respectfully yours,
Aug. J. Fromm,

PIONEER HOTEL MAN PASSES TO THE GREAT BEYOND

W. Z. Price Succumbs to Ailments of Advanced Years Yesterday

W. Z. Price, the pioneer and well known resident of Redwood City, died suddenly at his apartments in this city at 1 o'clock yesterday afternoon. He was sick but a few moments when he breathed his last. He arose as usual yesterday morning but about 11 o'clock feeling tired he retired and in a short time passed away before medical aid could come to his assistance. The deceased was born in Kentucky, 77 years ago, but at an early age moved to Missouri. Mr. Price came to California in 1854 across the plains with an ox team. After mining for some years in Yuba County he came to San Mateo County in 1866 where he had a contract to board the men employed in constructing the San Andreas lake for the Spring Valley Water Company. In 1869, Mr. Price erected the first butcher shop at San Mateo which he conducted with success until 1888, when he built the Price Hotel at Redwood City at a cost of \$75,000 and which he conducted for many years. Mr. Price was a Republican in politics. In 1888, Mr. Price was elected to the assembly from this county and during his term enacted some useful laws. During the administration of Governor Markham, he was appointed president of the silk culture board, a position he held for four years. For many years the deceased was prominent in the political and business affairs of the county. He is survived by one son, W. A. Price, the popular city clerk. No arrangements have yet been made for the funeral.

CAMPAIGN FOR FACTORIES BY CHAMBER OF COMMERCE

Harbor Company Heads Activity in Encouraging Development

Redwood's factory campaign is on, started Tuesday night at the Chamber of Commerce. The Chamber of Commerce, when George A. Merrill, president of the Redwood City Harbor Company, announced that the work of dredging the harbor had been completed and that on the 15th of June, there would be available for industrial development three and one-half miles of waterfrontage. Accompanying the announcement which was received with hearty applause, was a check for \$50, the first of a series of checks to be sent monthly to be used by the Chamber of Commerce for publicity purposes.

The smoker meeting was largely attended, the gathering being a most representative one. Bankers, lawyers, plain citizens were present all deeply interested in the work of the Chamber. The meeting was presided over by President Charles Landsehl, who opened the proceedings by reading a report of the activities of the Chamber for the last eight months. The report was an instructive one in that it showed that the Chamber had left no stone unturned to advance the interest of Redwood. He was followed by E. T. McGittigan, Secretary-Manager of the Chamber, who, in a brief report, showed the work of his office since the organization of the Chamber last October.

During the evening six of the guests became members of the organization, bringing the total membership up to 138. Other speakers were L. P. Behrens, A. D. Walsh, F. H. Drake, R. F. Chilcott, Geo. H. Irving, C. M. Dossie and Geo. A. Merrill, all of whom spoke of the great future that awaited Redwood.

REDWOOD CITY SPERRY'S PLAY GREAT GAME OF BALL

Defeats San Jose Athletic Club by a Score of 9 to 2

Playing together like a team of leaguers the Redwood Sperry's last Sunday defeated the Ark Athletic Club of San Jose by a score of 9 to 2.

A total of thirteen hits tells the story of the cleanest game of the season and the beauty of it all is that the hits came with runners on the bases. Melhoff twirled magnificent ball allowing but seven hits, striking out eleven and slamming out two bingles himself. Joe Fitzpatrick caught the big German lad in fine shape. He also hit hard and often besides showing class in the way of stolen bags. Casey also connected hard for the Sperry's. Sampson shone with a spectacular catch of a fly ball, holding the ball after a long run and fall and doubling an ambitious runner who left his base too soon to get back.

"Ring" Gettings of San Mateo upstaged the game and demonstrated his ability as an indicator man to the satisfaction of all concerned. Perry of the visitors was painfully injured in the seventh inning when two thrown balls struck him full in the face breaking his nose and cutting his face. He was knocked unconscious.

LARGE FUNERAL THURSDAY TOKENS HIGH ESTEEM

George Leary, Stricken Suddenly, is Laid to Rest By Masons

Friends of George Leary, who had known him and honored him in life, gathered in Masonic Hall Thursday afternoon to pay their last tribute of love and respect to one who had been admired by the people of this community. The vast number of floral offerings that were banked in profusion about the casket was also a mute tribute to the popularity of the departed native son. The funeral services were conducted under the auspices of the Masonic Order. The ritualistic ceremony was beautiful and impressive and was directed by Past Master, W. A. Crowell, who in opening the solemn service gave vent to the following sentiment:

"Brothers and Friends, from time immemorial it has been the custom among the fraternity of Free and Accepted Masons, at the request of a brother, to accompany his remains to the place of interment, and there to deposit them with the solemn formalities of the craft.

"In conformity with this usage, and in accordance with the duty which we owe to our departed brother, we have assembled in the character of Masons, to offer up to his memory, before the world, the last sad tribute of our affection; thereby demonstrating the sincerity of our past esteem for him and our steady attachment to the principles of our beloved Order.

"The Great Creator, having been pleased in His infinite wisdom, to remove our brother from the cares and troubles of this transitory life, thus severing another link in the fraternal chain by which we are bound together, let us, who survive him, be yet more strongly cemented by the ties of brotherly love; that, during the brief space allotted to us here, we may wisely and usefully employ our time, and in the reciprocal intercourse of kind and friendly aid, mutually promote the welfare and happiness of each other."

A choir consisting of Mrs. J. Ensor, Miss Katherine Wolfenden, Q. M. Carrington and Charles Landsehl softly and sweetly sang, "Lead Kindly Light" and "Abide With Me." The ceremony in Union Cemetery was conducted by Rev. M. B. Young of the M. E. church. The following old time friends acted as pall bearers: Roy W. Cloud, John W. Poole, Ernest Wender, Carl Muller, W. A. Price and R. F. Chilcott.

The deceased was a native of Redwood City, born fifty years ago. He was the son of the late D. G. Leary, a pioneer painter of this city, and followed the occupation of his father, taking over the business after the death of the latter. He was a successful business man and enjoyed a large patronage, being known as one of the most reliable painters on the peninsula. As a citizen he held the confidence of a large circle of friends who admired his sterling character and his many splendid qualities of manhood.

The deceased is survived by his wife, formerly Miss Ella Gilbert, the daughter of one of the county's oldest families, and one daughter, Loda, and a son, Emma Mayo, who resides with her family at Pleasanton.

Mrs. Jarvis brought the action on the ground of cruelty. The parties to the suit are residents of Woodside. J. J. Bullock appeared for plaintiff and Archer Kincaid for defendant.

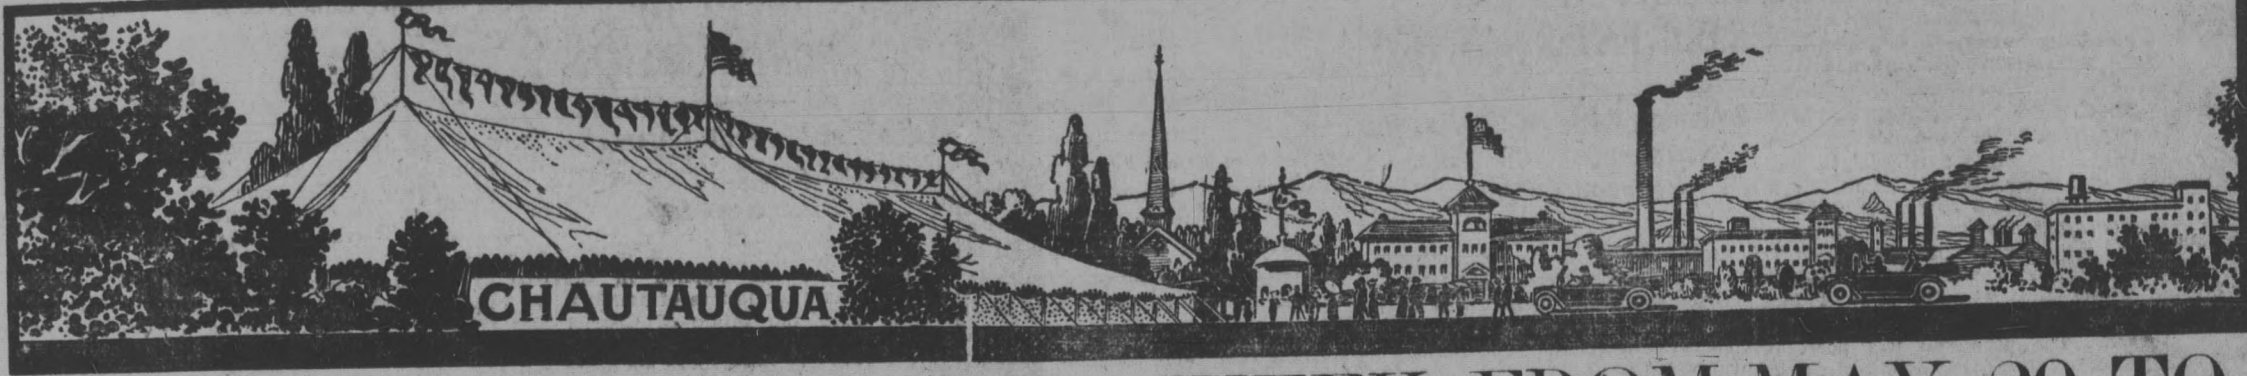

Divorces Granted

McNamara Gets Unanimous Verdict
The case of Pattison against McNamara has been settled for all time when the jury Wednesday brought in a verdict in favor of the defendant. The case has attracted much attention owing to the prominence of the McNamara family. The case was tried before a jury and from the evidence it would seem that there was very little to be considered favorable to the plaintiff. It's the same old story of some busy body, interfering in family affairs and stirring up trouble. The jury was unanimous in its conclusion and was out only a few moments. This is the second trial of the case. Nicholas McNamara is a prominent citizen of San Mateo and had the plaintiff arrested for taking his machine to New York. CHAUTAUQUA

REDWOOD CITY CHAUTAUQUA WEEK FROM MAY 29 TO JUNE 4

NEW YORK CITY MARINE BAND CHAUTAUQUA FEATURE

THESE are over 250 bands in New York city playing in concert. Some are good bands and some are better, and about twenty of them have become famous throughout America. It can readily be seen that New York is somewhat of a "band city." But there is one band in New York that every one from the newsboy to the stockbroker on Wall street is proud to call New York's "best" band.

That band is the New York City Marine Band. It has played to music lovers for more than three generations and has remained through these long years the leading military band in New York city and the United States. At Newport, R. I., last summer over 10,000 people appeared on the beaches to hear the final concert of this great organization. It was a great day. The leader acceded to the demands of the people and played literally hundreds of selections for the music mad audience.

There have been good bands at Chautauqua before. But there has never been a band at any Chautauqua that will "put over" such music as the New York City Marine Band when it appears for two big concerts on "Band Day."

COMING to the Chautauqua is Judge R. M. Wanamaker of the supreme court of Ohio, the man who threw the doors of the Ohio courts open to the people in such a way that every man has access to those equal rights guaranteed to him under the law. The eminent jurist's exposure of defects in legal procedure, invigorated by remedial measures, which personal demonstration warrants him to present, is of most timely interest to every liberty loving American.

KILMOL SQUIRLEGOPHENE

Will Kill 'Em All

In each burrow put one waste ball saturated with Kilmol. After a few minutes, ignite. The deadly fumes instantly reach every nook and cranny of Mr. Squirrel's or Mr. Gopher's burrow. Kilmol gets him every time—poisons as well as asphyxiates. Kilmol costs you less than one cent per burrow, and one application does the business. Any other method requires from two to six times over at a much higher cost. Government, State and County officers use Kilmol and get 100% efficiency. Results absolutely guaranteed or money refunded.

Your local dealer can furnish waste balls better and cheaper than home-made. Ask him about Kilmol, and about new U. S. Government formula of poisoned barley.

Write for full information about squirrel and gopher eradication.

The United States Destroyer, invented by U. S. officials and used with Kilmol. A machine that pumps the gas into the burrow.
